WELCOME TO THE TEAM

First Employee Onboarding Pack

Date: [Start Date]

Dear [Employee Name],

Welcome to [Company Name]. We're glad to have you on board.

We're a small, tight-knit operation and we take pride in doing quality work for our clients. You've been brought on because we believe you share that same attitude.

EXPECTATIONS OF YOU:

• Show up on time, every time. If something comes up, call ahead — not five minutes after you were due.

• Treat every client's home or workplace with respect. Pack up, clean up, leave it better than you found it.

• Communicate. If there's a problem on site — with the job, with materials, with anything — tell us.

• Your phone is for business use on site. Quick checks are fine. Long calls and scrolling are not.

• Represent [Company Name] professionally. What you say and do reflects on all of us.

WHAT YOU CAN EXPECT FROM US:

• Fair pay at the rate agreed: $[Pay Rate] per hour, paid [weekly/fortnightly].

• Clear communication about your schedule. We'll give you as much notice as possible.

• A team that has your back. Ask questions — there are no stupid ones.

• A safe work environment. If something doesn't feel right, say so.

Your first day is [Start Date]. Please arrive at [Location] by [Start Time]. Your reporting manager is [Manager Name].

We're glad you're here. Let's do good work.

WORKPLACE EXPECTATIONS

Read this. Keep it.

Hours of Work

- Standard hours are [Start Time] to [End Time], [Days].
- Overtime must be approved by [Manager Name] before being worked.
- If you're sick, call [Phone] before your start time.

Punctuality

- Be on site and ready to work at your start time.
- Repeated lateness without good reason is grounds for a formal discussion.
- If you're running late, call ahead — always.

PPE Requirements

- Wear appropriate PPE at all times: safety boots, hi-vis, hard hat (where required), gloves.
- If your PPE is damaged, report it immediately and do not work without it.

Phone Use on Site

- Phones are for work-related communication during work hours.
- Personal calls during breaks only.
- No social media scrolling on a client's property.

Client Interaction Standards

- Greet clients professionally: 'Hi, I'm [Name] from [Company Name].'
- Do not discuss pricing or give verbal quotes — direct cost questions to [Manager].
- Always leave the work area clean and tidy.

Reporting Near Misses & Incidents

- Report any incident or near miss to [Manager Name] on the same day.
- Do not handle injuries or incidents without informing management.
- All incidents will be recorded — this protects you as much as the company.
